

About Michigan Fosters

Michigan Fosters works to amplify the voices of those involved in the foster care system through awareness and community involvement. We do this through several programs, most notably **Journey Home**, located at 832 E. 8th Street, Holland. Journey Home is a gathering place for children in foster care to meet with their parents while in foster care – instead of meeting at the agency office.

About Christmas Magic

While November is the month for Thanksgiving, we want to work ahead to show foster families in Ottawa County how thankful we are for their daily sacrifices with a gift at family Christmas time. We'll use the month of November to work together with our community by collecting family presents, gift-wrapping supplies, restaurant gift cards, and monetary donations.

Last year, we were able to gift 18 families Christmas Magic. **This year, our goal is 33 families.**

FAMILIES RECEIVE

- An age-appropriate board game
- A \$45 gift card to a local restaurant
- A meal to enjoy at home,
 - Homemade lasagna
 - Fustini's dipping oil & herbs/spices
 - French bread
 - New-york Style cheesecake by local baker
- And a family experience gift:
 - Movies tickets for the whole family and a hot-chocolate kit
 - Or a retro smores maker and a smores kit

A portion of the 2021 Christmas Magic donations received.

TO REACH MORE FOSTER FAMILIES, we are asking local businesses to join us in this initiative to help make Christmas Magic for the families on the front lines of foster care.

Will you help us?

The cost for each family gift ranges from \$200-\$300 depending on how many members are in their family. Last year, families ranged from 2 members to 11 members!

** There are around 165 foster families in Ottawa County. Our goal is to reach closer to 20% of families this year. Last year, we were able to give Christmas Magic to 18 families (a little over 10%).

2022 Sponsorship Levels – please indicate your desired level of support
